

TANZIM AL NOOR

GIS Analyst & Spatial Data Specialist

📍 Dhaka, Bangladesh 📞 +8801713461544 ✉️ tanzim11033@gmail.com
🌐 [linkedin.com/in/tanzim-al-noor](https://www.linkedin.com/in/tanzim-al-noor) 🌐 sites.google.com/view/tanzimalnoor
IELTS 7.5 (R: 8.5 | L: 8.0 | W: 6.5 | S: 6.0)

PROFESSIONAL SUMMARY

GIS Analyst and spatial data specialist with 3+ years of experience maintaining geodatabases, conducting geospatial analysis, and delivering technical outputs across international infrastructure and climate projects. Proficient in QGIS, ArcGIS Pro, Python (GeoPandas, Pandas, Rasterio), and Google Earth Engine, with a track record of managing structured spatial datasets, multi-criteria suitability analysis, and data-driven operational reporting. Experienced in IT-enabled technical services environments delivering geospatial outputs for international B2B clients (GIZ, World Bank). Capable of working independently across GIS, data management, and operational support functions in a fully remote setting.

CORE SKILLS

GIS & Geospatial: QGIS | ArcGIS Pro | Google Earth Engine | Geospatial Analysis | ENVI | Agisoft Metashape | Global Mapper
Programming & Scripting: Python (Pandas, GeoPandas, NumPy, Rasterio) | JavaScript (Leaflet) | R (ggplot2)
Data & Database: Geodatabase Management | Data Maintenance & Validation | KoboToolbox | ArcGIS Dashboards | Power BI
Operations & Admin: MS Excel | Technical Report Writing | Budget & Logframe Support | Microsoft Project | Documentation
AI & Productivity: Machine Learning Workflows (Python/R) | AI-Assisted Research | GEE Automation Scripts

WORK EXPERIENCE

Assistant Urban Planner | April 2026 – Present

Sheltech Consultants (Pvt.) Ltd. · Dhaka, Bangladesh

Projects: Master Plan Preparation of 3 Upazilas (Lalmai, Gowainghat, Monoharganj) under UTMIDP (UMPP-2)

- Built and maintained spatial geodatabases for three upazila master plans, managing feature datasets, attribute integrity, and periodic data updates across all project layers
- Conducted urban suitability analysis in QGIS and ArcGIS Pro to delineate development zones, integrating multi-criteria spatial datasets for structure plan preparation
- Produced thematic maps and technical planning reports integrating field survey data and spatial analysis outputs for government submission

Junior GIS Analyst | October 2025 – March 2026

ZTENCO Limited (IT-Enabled Technical Services) · Dhaka, Bangladesh

Projects: GIZ Trans2SMo (E-Mobility Roadmap, Bangladesh) | World Bank Rural Electrification (The Gambia) | HELP Project (Noakhali)

- Designed and maintained a structured GIS database of EV infrastructure assets (charging stations, filling stations, grid nodes), managing data entry, validation, and periodic updates for international B2B client deliverables
- Conducted QGIS-based multi-criteria suitability analysis for EV charging infrastructure routing across Bangladesh, producing geospatial datasets and operational maps for GIZ project reporting
- Supported feasibility analysis and technical reporting for World Bank-funded rural electrification planning in The Gambia, coordinating spatial data across international project teams
- Prepared technical documentation and operational maps for government and donor stakeholders across 3 concurrent projects

Research Assistant | August 2023 – September 2025

Water, Environment and Climate Group (WECG), KUET · Khulna, Bangladesh

Projects: MIT CRISES Climate Risk Project | University of Heidelberg Household Survey

- Developed automated geospatial workflows in Google Earth Engine (JavaScript) for DTM-based coastal flood risk mapping, processing multi-temporal satellite datasets
- Managed field-collected soil and water sample datasets, performing spatial data entry, quality validation, and trend mapping using kriging interpolation in ArcGIS Pro
- Built Python (GeoPandas, Rasterio) scripts to automate raster processing and spatial data extraction for peer-reviewed research
- Facilitated community workshops and coordinated stakeholder data collection using KoboToolbox digital data management platform

Intern | October 2024

Rajshahi City Corporation (RCC) · Rajshahi, Bangladesh

Projects: DPP Formulation — Solid Waste Management Master Plan

- Supported master plan documentation including Gantt charts, logframes, and budget data entry in MS Excel for project proposal submission

RESEARCH & PUBLICATIONS

- Faisal et al. (2025). Machine Learning Integrated Approach for modelling crop production in Bangladesh. Smart Agricultural Technology. <https://doi.org/10.1016/j.atech.2025.101403>
- Sarkar et al. (2025). A Topsoil Salinity Observatory for Arable Lands in Coastal SW Bangladesh. Scientific Data (Nature Portfolio). <https://doi.org/10.1038/s41597-025-05447-1>
- Climate Crisis and Food Security in Bangladesh: ML-based Geospatial Analysis of Drought Tolerance — [Submitted]
- Evaluating the impact of enhanced traffic signalization on microscopic vehicle emission reduction — [Submitted]

SELECTED PROJECTS

- Fuzzy Logic Modeling of Land Degradation Vulnerability Index (LDVI) — Coastal Bangladesh, ArcGIS
- Soil Salinity Mapping, Satkhira District — Sentinel-2A Imagery + Machine Learning Models
- Ecosystem Service Valuation through LULC Change — Rangpur City, Bangladesh
- Coastal Flood Risk Mapping — DTM-based analysis, Google Earth Engine
- Conceptual Neighbourhood Planning and Design, Bastuhara Complex, Khulna

EDUCATION

Bachelor of Urban and Regional Planning (B.URP) | January 2020 – September 2025
Khulna University of Engineering and Technology (KUET) · CGPA: 3.64 / 4.00
Thesis: Machine Learning-based Soil Organic Carbon Prediction using Remote Sensing in Khulna District, Bangladesh

CERTIFICATIONS & TRAINING

- Geospatial Data Analysis & Management (Intermediate) — EDGE Project, BIM, 2026
- MEAL Essentials Certificate — DisasterReady, 2026
- Machine Learning & Deep Learning in Python & R — Udemy, 2025
- Project Scheduling with Microsoft Project — ZTENCO Limited, 2026
- WASH Foundational Course — UNICEF, 2026
- UAV Data Collection & Aerial Image Processing — PRC, 2023

LANGUAGE PROFICIENCY

IELTS

Overall 7.5	Reading 8.5	Listening 8.0	Writing 6.5	Speaking 6.0
-------------	-------------	---------------	-------------	--------------

HONOURS & ACHIEVEMENTS

- 1st Runner-up, GIS Competition, Plannation 3.0 (National URP Fest), KUET
- Technical Education Scholarship, KUET — Merit position each academic year
- Bangladesh Government Scholarship — Primary, Junior, and Secondary Certificate Examinations
- Director of Training and Workshop, DISK – Design Integrated Society of KUET
